## ***Pegalis & Erickson, LLC Named to 2016 Best Lawyers®***

Lake Success, NY, November 12, 2015... For the sixth year in a row, U.S. News & World Report and Best Lawyers® have named the plaintiffs' medical malpractice law firm Pegalis and Erickson, to their 2016 "Best Law Firms" rankings. The Firm was given a "NYC Tier 1" rating for both Plaintiffs' Personal Injury Litigation and Plaintiffs' Medical Malpractice.

"We are honored to be among only 4% of all US law firms named, and our dedication to injured patients is our true success and reward," said Annamarie Bondi-Stoddard, managing partner.

Firms included in the 2015 "Best Law Firms" list are recognized for professional excellence with persistently impressive ratings from clients and peers. Achieving a tiered ranking signals a unique combination of quality law practice and breadth of legal experience. To be eligible for a ranking, a firm must have a lawyer listed in The Best Lawyers in America, which recognizes the top 4 percent of practicing attorneys in the US. Receiving a tier designation reflects the high level of respect a firm has earned among other leading lawyers and clients in the same communities and the same practice areas for their abilities, their professionalism and their integrity.
