Mineola Lawyer Sanford Nagrotsky Named to Best Lawyers in America®

Lake Success, NY October 2, 2019... We are proud to announce that Sanford Nagrotsky, a Mineola resident, has been selected for the highly regarded list, the *2020 Best Lawyers in America*®. Fewer than 5% of attorneys in the U.S. are named to this list, which is compiled by extensive research, and peer and client review. This is his sixth consecutive year being recognized. Of note: Last year, Nagrotsky and Firm founder, Steven Pegalis obtained a settlement of \$10 million dollars for a NYC client in a complex spinal surgery case.

Sanford Nagrotsky, Esq. is a Partner at Pegalis Law Group and has instituted a unique approach to client service rarely seen today; he provides consultations directly with prospective clients who call to learn if they have a potential medical negligence case. Nagrotsky focuses on unraveling complex medical negligence matters, utilizing his extensive knowledge, medical research skills, and his immediate access to renowned medical experts, to thoroughly analyze critical issues for clients and potential clients. His desire to obtain a measure of justice for victims of preventable medical error is what fuels his passion and dedication to zealously represent his clients. Because of his dedication and expertise, Pegalis Law Group, LLC has obtained compensation for many clients whose cases were previously rejected by other prominent law firms. He has obtained millions of dollars in settlements and verdicts on behalf of the firm's clients, for more than 30 years.

In 2018, Nagrotsky was an awardee of the "Kings of Long Island" by Schneps Community News Group, where he received the "Dynamic Duo" award, alongside PLG partner, James B. Baydar.

About Us: Pegalis Law Group, LLC is a New York law firm for those suffering as a result of avoidable medical errors and personal injury. In 47 years of practice, we have won some of the largest verdicts in New York State history and strive for medical accountability to ensure safer medical practices for better patient care.
