Lake Success, NY, November 19, 2019... Pegalis Law Group, LLC is proud to announce [Annamarie Bondi-Stoddard](#) is the only woman who will receive a Lifetime Achievement Award this Thursday night, November 21, at the Leadership in Law Awards. The event is to feature a keynote address by Nassau County District Attorney Madeline Singas, and is being held at the Crest Hollow Country Club in Woodbury, NY. Annamarie Bondi-Stoddard is the managing partner of her Firm, and one of very few women to hold that role on Long Island.

The event is hosted by *Long Island Business News*, to put a spotlight on local lawyers who have achieved success, made contributions to the community, and have had a real impact on the legal industry. "Congratulations to all 2019 honorees. My focus on plaintiffs' medical malpractice law is truly rewarding. While it's not a choice for most attorneys, I enjoy the challenges of my life's work" said Bondi-Stoddard.

Bondi-Stoddard's clients are patients in medical negligence cases involving women's health issues, children's birth injuries, cancers, surgical and neurosurgical cases, and medical specialty cases where malpractice is involved. She was most recently named Best Lawyers® 2020 Plaintiffs Medical Malpractice "Lawyer of the Year" in Long Island, NY. Less than one percent of all New York attorneys receive this award. Throughout her career she has received numerous awards, including the Long Island Power Women in Business Award and the Top 50 Women in Business Award. She has also written for publications such as *The New York Law Journal* and the *Long Island Corridor Journal of Strategic Alliances*.

**About Us:**

Pegalis Law Group, LLC is a New York law firm for those suffering as a result of preventable medical errors and personal injury. For nearly 50 years, we have won some of the largest verdicts and settlements in state history. We strive for medical accountability by advocating for clients and through public education, to ensure safer medical practices for better patient care.
