Seven Pegalis Law Group, LLC Attorneys Recognized by Super Lawyers®

New Hyde Park, October 2020.... The Long Island medical negligence law firm Pegalis Law Group, LLC is proud to announce that all seven attorneys have been recognized by Super Lawyers® for 2020. No more than five percent of attorneys in New York are named to the competitive New York Metro Super Lawyers® list.

Every year since 2007, Company Founder **Steven E. Pegalis** and Managing Partner **Annamarie Bondi-Stoddard** have been selected by Super Lawyers® for their professional excellence and dedication to obtaining justice for clients. Partner **James B. Baydar** has been named to the list for his third year, Attorney **Gary M. Nielsen** has been named for seven years and Attorney **Robert V. Fallarino** has been named for nine years. Additionally, Partner **Sanford S. Nagrotsky** has been named a 2020 Super Lawyer and Attorney **Isabel C. Mira** has been named a 2020 Rising Star. The Rising Stars list recognizes no more than 2.5 percent of attorneys in New York. Attorneys recognized as Rising Stars are either 40 years old or younger, or in practice for 10 years or less.

A selection by Super Lawyers® is a testament to the skill and accomplishments of the nation's top lawyers. The rating service reviews lawyers from 70 practice areas, based on 12 indicators of professional achievement and peer recognition. Such indicators include experience, honors/awards, special licenses/certifications, bar membership and activity, pro bono service, scholarly writings/lectures, and more. The result is a credible, comprehensive and diverse listing of exceptional attorneys.

The attorneys at Pegalis Law Group, LLC have won thousands of verdicts and settlements for their clients, as well as attaining "record" high results. This includes a \$116 million verdict for an infant who sustained brain damage and cerebral palsy due to medical malpractice during a breech birth, as well as a \$114.8 million verdict for a 28 year-old woman who sustained anoxic brain injury due to respiratory arrest during an emergency tracheotomy. While many cases are settled, if your case must be tried to a verdict, our trial attorneys are prepared to do so. The goal is a financial recovery that is adequate (whether by settlement or verdict) to lessen the burden of the economic hardships caused by life-altering injuries. Call our attorneys at (866) 633-6257 to discuss your medical situation; there is no charge for a consultation.
