## August 2021 News Roundup *News You Can Use*

### Why It Pays to Ask for a Second Medical Opinion

Doctors are not immune to making mistakes. The reality is medical errors make up the third leading cause of death in the United States.

Whether you've received abnormal test results or a seemingly risky surgery recommendation, it never hurts to get a second medical opinion before seeking treatment. Learn more [here](#).

### Legal Tips for Parents Sending Their Kids Off to College

If you're a parent getting ready to send your child off to college for the first time, you've probably been advised from many well-meaning friends, family, colleagues, and neighbors. However, have you thought about seeking medical or legal advice before dropping off your son or daughter at the dorm? Learn more [here](#).

### Results For Clients

We have secured a \$750,000 settlement for a newborn baby girl who was injured by her mother's obstetrician during childbirth. As a result of the delivering doctor's negligence, the infant suffers from the permanent effects of a right sided Erb's Palsy, including scars, cosmetic deformities, and limited motion in her right arm and shoulder. You can
