Tips for Avoiding Driving Distractions

April is Distracted Driving Awareness Month, a time to focus on the dangers of driving while distracted. According to the National Highway Transportation Safety Administration, the number of annual preventable deaths and injuries occurring on U.S. roadways has been on the rise in recent years. For tips on avoiding driving distractions, click [here](#).

Discover the Health Benefits of Gardening

We're all familiar with the expression, "April showers bring May flowers." Whether planting vegetables in a garden or flowers in the front yard, gardening is good for the body, mind, and soul, no matter your age. You don't have to have a "green thumb" to reap the rewards. To learn about the health benefits of gardening, click [here](#).

Results For Our Clients

We have secured a \$750,000 settlement for an infant boy, who sustained a left-sided Erb's palsy during his birth. The decisions made by healthcare providers to allow a vaginal delivery, as well as the obstetrician's improper delivery maneuvers during the birth, were clear departures from good and accepted medical care. You can find the full details of the settlement in our [press release](#).

Client Testimonials

"My husband and I would like to say Thank You to all of you for your time and efforts in our case over the past four years. We appreciate everything that you have done. Your passion in

fighting for us was admirable and we will be forever grateful!"
