**Five Tips to Keep Your Children's
Eyes Healthy**

August is Children's Eye Health & Safety Awareness Month, a time to reflect on children's eyesight and preventing eye injuries and vision loss. Experts estimate one out of every four children has a problem with their vision that could become permanent if left untreated. As an advocate for proactive patients of all ages, Pegalis Law Group, LLC has provided tips below for parents to keep their children's eyes healthy. Read our article [here](#).

**Observing National Immunization
Awareness Month**

The Centers for Disease Control and Prevention (CDC) sponsors National Immunization Awareness Month every August to highlight the importance of vaccinations for people of all ages. Since many parents are preparing to send their kids back to school this month, Pegalis Law Group, LLC has provided an overview of which vaccinations are needed for toddlers, elementary-age children, teens, and even adults.
