

July 2022 News Roundup *News You Can Use*

Pegalis Law Blog

Summer Skin Care Tips

As the weather gets warmer and backyard barbecue invites pile up, the siren call of being outdoors becomes louder and clearer. In honor of July being National UV Safety Month, Pegalis Law Group, LLC is taking a closer look at how you can protect your skin from the harmful effects of UV rays this summer. Following the advice of trusted dermatologists is in your best interest to prevent sunburns, melanoma, and skin cancers affecting people as they age. Read our article [here](#).

Debunking Common Eye Injury Myths

July is Eye Injury Awareness Month, and Pegalis Law Group, LLC has decided to debunk some common eye injury myths to inform our clients and the public. Of the approximate one million eye injuries that occur in the United States per year, nearly 90% of them are avoidable. Be sure to wear protective eyewear at home and in the workplace to protect your eyes from potential harm. Read our article [here](#).

RECENT RESULT:

\$875,000 SETTLEMENT

**FOR A MAN WHO HAD SURGERY PERFORMED AT
THE INCORRECT LEVEL OF HIS SPINE**

Pegalis Law Group, LLC has secured a substantial settlement for a man who had surgery performed at the incorrect level of his spine. A 24-hour delay in surgery to correct this error then led to further, permanent damage. You can find the full details of the settlement in our most recent news release [here](#).

"Thank you very much for taking the time to speak with me regarding my husband's horrible experience at the hospital.
Your explanation of how the legal systems work, how hospitals work and your experience brought me a great deal of peace of mind! This was no small feat since I have felt horrible for months about my husband's cardiac care and mental well-being care when in the hospital. Thanks again for your help!"

-Sincerely, D.A.
