Notable Pegalis Law Group Settlements in 2022

Lake Success, February 2023... The New York medical malpractice/personal injury law firm of [Pegalis Law Group, LLC](#) is proud to share some of its settlements for the previous year. The law firm is well known for its attorneys' abilities to uncover avoidable negligent acts, even in the most complex cases and have obtained some of the largest verdicts and settlements in New York State history for victims of negligence and substandard care. In 2022 alone, Pegalis Law Group has secured millions of dollars in compensation for their clients. Some of the notable 2022 settlements include:

- \$2.1 million for injuries to an infant, caused as a result of improper neonatal care.
- \$1.5 million for an infant whose mother died following his C-section birth due to improper care.
- \$1.4 million for an infant girl who suffered injuries when she slipped through an improperly installed window guard on an apartment building and fell from 3 stories.
- \$750,000 for a client whose improper care following a heart attack rendered him comatose, eventually resulting in his untimely death.
- \$725,000 for a client whose doctors failed to diagnose and treat his urinary tract cancer, resulting in the need for more extensive treatment.
- \$600,000 for a client whose doctors failed to diagnose her lung cancer, leading to her untimely death.
- \$290,000 for a client who suffered from a slip and fall while working.
- \$250,000 for a client who suffers from improper dentistry work, resulting in chronic pain and facial asymmetry.

Located in Long Island, NY, Pegalis Law Group, LLC advocates for people of all ages who have been victims of medical errors, which caused them life-altering harm or even death. Their clients need financial help, want to learn the truth, and make care safer for others. Pegalis Law Group helps them achieve these goals.

Pegalis Law Group, LLC is a New York law firm for those suffering as a result of avoidable medical errors and personal injury. In 50 years of practice, they have won some of the largest verdicts in New York State history and strive for medical accountability to ensure safer medical practices for better patient care.
