by U.S. News — Best Lawyers®**

Lake Success, New York, November 2024. The [Pegalis Law Group, LLC](#) is honored to announce that, for the fourteenth year in a row, U.S News & World Report and Best Lawyers® have included the firm in their 2024 "Best Law Firms" list as a Long Island Tier 1 firm for Plaintiffs' Medical Malpractice and Personal Injury Litigation. Achieving a Tier 1 ranking signals a unique combination of quality law practice and breadth of legal expertise. The "Best Law Firms" rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in the field, and review of additional information provided by law firms as part of the formal submission process. Awards are bestowed in 75 national practice areas and 127 metropolitan practice areas.

For 2024, the Pegalis Law Group had four attorneys individually recognized by Best Lawyers®: [Steven E. Pegalis](#), [Annamarie Bondi-Stoddard](#), [James B. Baydar](#) and [Robert V. Fallarino](#). This recognition is only bestowed on the top 5% of private practicing lawyers in the United States.

Steve notes that he is "proud of our track record of providing peace of mind, a sense of justice, and financial security to our clients. Our team's personal investments in each case are without peer and have resulted in consistent success for clients year after year."
